Redeem Your Points

There are two ways to win prizes – monthly drawings and/or being one of the top point earners for the entire semester.

- Monthly drawings:
 - All qualifying students will be automatically entered into the monthly drawing.
 - Every 200 points is one entry into the drawing (for example, if a student has 900 points their name will be entered four times)
 - Each month, the I-School will draw three names to receive \$500 applied to their student account.
 - The points used for the monthly drawings will not be deducted from you overall semester total. The points will continue to accumulate throughout the semester and count toward your eligibility for the semester grand prizes.
- Semester Grand Prizes*:
 - At the end of each semester the top three point earners will receive one of three grand prizes.
 - 1st place grand prize: \$2,000 applied to their student account
 - 2nd place grand prize: \$1,500 applied to their student account
 - 3rd place grand prize: \$1,000 applied to their student account

Semester Grand Prize amounts may be subject to change without notice
